

*School Council Blog*

*This week we had a visitor who works for Manchester City Council, Michael Gallon, who wanted to ask us some questions about what we like to do in our spare time. The council's favourite activities include learning, seeing our friends, swimming and playing games.*

*A big thank you to Michael for visiting our school council.*

*We hope you had fun.*

*Also a shout out to the school carol singers who spread Christmas cheer at our local shops, and raised £65 for school funds!*
