

Cost

The core offer is the provision of services funded through local authority funding. There will be no additional costs to schools for accessing these services.

All schools can access 4 hours core support per year free of charge. Any additional support around similar needs will be charged at £70 per hour.

Bespoke training in school setting:

Whole day £400

Twilight/Half day £200

Maximum 30 people. Additional space may be available at a cost of £5 per person.

Team Teach Training £100 per person per day

Annual training package
£25 per person per session.

Resources £25 for up to 10 pieces of work

INVESTOR IN PEOPLE

Working Together Achieving Together

The Birches School Outreach Service

Do you need support with...

- **Communication?**
- **Behaviour?**
- **Supporting pupils with cognition and learning needs?**
- **Sensory needs?**

Core support

We can offer:

- Observation of the pupil with a written report
- One follow up visit to assess impact of advice
- Advice on setting up systems and structures to meet the needs of the pupil
- Support with pupil behaviour management
- The opportunity for staff to visit The Birches School to observe good practice
- Advice on transition
- The opportunity to liaise with other professionals.

Targeted support

We can offer additional support in a number of areas:

The Birches Specialist Support Primary School Outreach open evenings

Advice and support with specialist resources (e.g. visuals, behaviour/reward systems)

Support with assessment and moderation

Delivery of training packages relevant to school needs. For example:

- Zones of Regulation
- Using visual communication systems
- Structuring learning environments and lessons
- Ideas for establishing readiness to learn

Team Teach training (details on request)

Support with IEPs, risk assessments, behaviour and positive handling
